**The prizes (CHF 5'000 in total)** will be granted to the most outstanding theses on energy economics and policy/polity/politics. They are sponsored by the Swiss Association of Gas Industry ([www.gazenergie.ch](http://www.gazenergie.ch)).

**The main winner will have the opportunity of attending the 19th IAEE European Conference (date and venue not yet known), with attendance costs covered\*.**

**To take part in the awards, you have to be a SAAE member ([www.saae.ch/become-a-member](http://www.saae.ch/become-a-member)).**

The submission must include

- Master students: the whole thesis
- PhD students: one chapter of the dissertation
- a short letter of recommendation from the thesis' tutor (no mention of publications/journals)

Deadline for submission: **November 12, 2023**

**Please send your entry as PDF files to [info@saae.ch](mailto:info@saae.ch)**

The Swiss Association for Energy Economics, SAAE, was founded in 1984 as the Swiss chapter of the International Association for Energy Economics, IAEE. The association aims to meet new challenges in the field of energy policy and economics. It provides a forum for cooperation and exchange of ideas on energy economics among professionals from academia, industry and government. It promotes international contacts and collaboration. For further information please visit [www.saae.ch](http://www.saae.ch)

Explainer \* Covered under a lump sum: conference fees, transportation and accommodation
